

**DVPO Media Release**

The Delaware Valley Philharmonic Orchestra (“DVPO”) publicizes its activities, such as the Youth in the Arts Competition, by inviting the press and other media to attend and report those activities and by sending press releases and proposed stories to the media.

In the case of the Youth in the Arts Competition, the reporting, press releases and proposed stories include the names and likenesses of the winners; we may also post the names and/or photographs of the winners on our website and use the names and/or photographs of the winners in the DVPO season brochures and other publicity materials.

To avoid possible problems and confirm the right of the DVPO to use the names and likenesses of the Youth in the Arts Competition winners as stated above, we ask the parents or guardians of entrants in the competition to authorize such use by the DVPO of the names and likenesses of the entrants:

Name of entrant: \_\_\_\_\_

Printed name of parent/guardian \_\_\_\_\_
